Dear Parents/Guardians:

The purpose of this letter is to inform you of a change to Homecoming.

This year, as in previous years, we've continued to work hard with our Student Council at creating a welcoming, high energy, inclusive, kick-off event to another fantastic school year. After much discussion with our Student Council last spring, the decision was made not to have a Homecoming Court this school year. This change follows suit with other changes made to Homecoming this year. Students shared that they did not find Homecoming Court to be beneficial or something that added to their Homecoming experience.

Due to the early nature of Homecoming this year, we missed a communication opportunity to share this change. Please be assured that we will be revisiting this topic and seeking more student feedback on their preference in terms of Homecoming Court.

If you have any questions about this change to Homecoming, please let us know.

Sincerely,

Mark Flaten
WHS Principal
