Criminal Complaint

Defendant,

Lisa Kennedy of the Wisconsin Department of Revenue, being first duly sworn, states that:

**Count 1: FRAUD/RENDERING INCOME TAX RETURN OR OBTAIN REFUND WITH FRAUDULENT INTENT**

The above-named defendant on or about Friday, January 22, 2016, Fond du Lac County, Wisconsin, the defendant did render a false income tax with intent to to obtain a refund or credit with fraudulent intent, contrary to sec. 71.83(2)(b)1, 939.50(3)(h) Wis. Stats., a Class H Felony, and upon conviction may be fined not more than Ten Thousand Dollars (\$10,000), or imprisoned not more than six (6) years, or both.

**Count 2: THEFT - FALSE REPRESENTATION (> \$2500 - \$5000)**

The above-named defendant on or about Friday, January 30, 2015, Fond du Lac County, Wisconsin, did obtain title to property of WI Department of Revenue, having a value of greater than \$2500 but not more than \$5000, by intentionally deceiving the person with a false representation which he knew to be false, made with intent to defraud and which defrauded the person, contrary to sec. 943.20(1)(d) and (3)(bf), 939.50(3)(i) Wis. Stats., a Class I Felony, and upon conviction may be fined not more than Ten Thousand Dollars (\$10,000), or imprisoned not more than three (3) years and six (6) months, or both.

**PROBABLE CAUSE:**

The basis for complainant's charge of said offense is based on complainant's information and belief derived from her investigation.

Complainant is a special agent of the Office of criminal Investigation for the Wisconsin department of Revenue. In connection with my duties I reviewed income tax filings of the defendant between 2006 and 2015. The defendant filed income tax returns in 2014 and 2015 electronically in which he reported his income tax withholding for the Wisconsin department of Revenue at \$4833 in 2014 and \$4692 in 2015. Both of those reported amounts exceeded the actual withholdings of his employer by exactly \$2000 for each tax year resulting in a refund 2000 greater than that to which he was entitled.

Complainant interviewed the defendant who stated that in each year of the over reported income withholding resulting in the 4000 extra refund that he "rushed doing his taxes and made mistakes in entering the information. Complainant's review indicates that the 2000 "error" was only made in 2014 and 2015 and not in prior tax years.

Based on the foregoing, the complainant believes this complaint to be true and correct.
