Superintendent Dr. Vickie Cartwright Reflects on Oshkosh Police Escort Recognizing Officer Wissink

A message from Oshkosh Area School District Superintendent Dr. Vickie Cartwright:

"We are incredibly thankful to Officer Wissink for his actions last week. Today we had an opportunity to show him how grateful we are for his commitment to keeping our students and staff safe. It is an honor to have such a strong relationship with our local law enforcement agencies and we are so appreciative to the Oshkosh Police Department for having school resource officers in our schools.

Officer Wissink's actions represent the incredible work of so many in our community, as we partner together each and every day to ensure that our schools are safe and welcoming places for our students, staff members, and families.

Again, we were honored to be able to show Officer Wissink and our law enforcement partners how much we support them as they serve and protect us by having staff, students, parents, and community members participate in today's motorcade.

Our thoughts continue to be with our families, community, and officers as we continue to heal and grow stronger, together."
